PRESS RELEASE

'22 Layers' - Peter Coyle & Tony Lowe release 'Travelling alone' - 23rd October, 2020

Peter Coyle & Tony Lowe as '22 Layers' – release **'Travelling alone'** on the 23rd of October, 2020 to digital outlets, followed by an album release early next year. A 'B' side, **'no sugar on the stairs'** is also available on Bandcamp.

'Travelling alone', an enchanting song reminiscent of the Lotus Eaters - 'The First Picture of You', has had a lovely response on the duo's social media – with reactions such as, *'beautiful'*, *'gorgeous'*, *'so calming in this time of loneliness'*, *'beautiful melody...a real dreamscape'*

On 3rd July their first EP for Sunn Creative, **'LoAdeD'** was released. The three songs along with one remix are available as a digital download on Bandcamp and officially on iTunes, Amazon, and other digital outlets.

In 2018 Peter and Tony worked together on the top-reviewed '22 Layers of Sunlight' prog album as part of the ESP Project. The '22 Layers' project expands their production and writing into a more experimental, alternative rock area.

Peter Coyle, is a dynamic performer, composer, producer

and lyricist with a sultry voice and delivery, best known for his work in the Lotus Eaters and the worldwide hit 'The First Picture of You' as well as a number of other notable collaborations with many artists including

Paul Humphries and Mal Holmes (OMD), Martyn Ware, John Murphy (film composer Danny Boyle) Toyah, Paul Morley, and the Lightning Seeds. In 1987, Coyle won the US Billboard Album of the Year for his critically acclaimed solo album 'A Slap in the Face for Public Taste'.

Tony Lowe, composer, multi-instrumentalist, and producer is known for his production work on a number of well-known prog projects such as the ESP Project, and Crossover (Cross & Banks), Starless Starlight (Cross and Fripp) as well as many other rock and alternative rock albums. He also composes, produces and plays guitar and keyboards on the ESP Project albums. He previously played guitar with Roger Daltrey, Simon Townshend, Julian Lennon, Modern English and Pet Shop Boys among many others.

22 Layers of Sunlight "...it's good to see Lowe and Coyle with their own agenda and what they do on their own terms" - Powerplay
